

Outdoor collection 2025

NEW ARRIVALS

The summer of 2025 promises to be a season filled with style, comfort, and quality, thanks to our latest outdoor furniture collection. At Viviendas Flamenco, we've drawn inspiration from the latest trends and innovations to transform your outdoor spaces into an oasis of luxury and relaxation.

Discover the Trends of 2025

This year, organic shapes, warm earth tones, and sustainable materials take center stage. Imagine elegant lounge sets with soft, rounded lines, combined with natural elements such as wood and bamboo. Our collection strikes the perfect balance between modern design and timeless elegance.

Premium Materials for Ultimate Comfort

We believe in quality that lasts for years. That's why our furniture is crafted from weather-resistant materials such as powder-coated aluminum, premium outdoor textiles, and durable wood varieties. These materials not only offer a luxurious appearance but are also designed to withstand the challenges of outdoor living.

A Small Selection of Our Extensive Range

This catalog provides just a glimpse of what Viviendas Flamenco has to offer. Whether you're creating an intimate seating area or furnishing a large garden for family and friends, our full collection offers endless possibilities. Let yourself be inspired by the versatility of our designs and the attention to detail evident in every piece.
